Cut this out and take it home when your flag is finished

Name: _____ Year level: _____

Fremantle Ports is celebrating all things art at a special 'Paint the Port' community day on Saturday, 14 March between 12 and 4pm. The spectacular ocean liner **Queen Mary 2** will also depart Fremantle on the day at 6pm. Fremantle Ports wants you to take part in this exciting event by making and decorating your own flag to wave on Victoria Quay as this gigantic ship sails into the sunset. Use paints, pencils or crayons to make your flag colourful with your very own design. Then come down on the day with your family and friends, enjoy the art activities, have dinner and watch the **Queen Mary 2** sail at 6pm!

Why not also enter our 'Paint the Port' art and photography competition? Simply create your own port related artwork or photograph for your chance to win great prizes! Check out our website: <https://www.fremantleports.com.au/news/paint-the-port> for further information.
