

**SHIPPING AGENTS MEMO****05-2022****DATE: 19 May 2022****SUBJECT: Fremantle Ports - Administration building planned power outage on 21 May 2022**

All Shipping Agents are advised that due to maintenance requirements, an electrical power outage is currently being scheduled for **21 May 2022** for approximately 4 hours for the Fremantle Ports Administration building.

In order to assist Fremantle Ports Scheduling Team to plan shipping movements, Agents are required to update VOYAGER latest by **20 May 2022 / 1200 hours**.

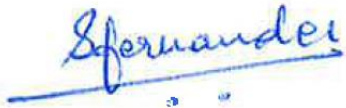

Vessel movements will not be scheduled during the power outage period. Please liaise with Fremantle Ports VTS regarding exact times on Friday - 20 May 2022 pm

'Voyager' will not be accessible during this time.

Appreciate your understanding and co-operation to ensure that all vessels are duly informed regarding the above operational interruption.

Any queries regarding the above process must be submitted to the email address:
