

HARBOUR MASTER'S INSTRUCTION 06-2021

Date of Issue: 23 November 2021

HMI 06-2021

Fremantle Ports - New 'Request to immobilise main engine' form

Compliance with this requirement is mandatory for all vessels calling at the Port of Fremantle.

In accordance Fremantle Ports' continual improvement process, a new form for requesting of main engine immobilisation is being introduced. This form applies to all vessels requesting for immobilization of main engine while within limits of the Port of Fremantle waters - Anchorages and berths.

The form provides for an enhanced risk management and decision-making process for Fremantle Ports. Applicable requirements are mentioned in the 'notes' section of the form.

The form must be sent to through the Agents to movements@fremantleports.com.au and uploaded into 'VOYAGER'.

The new form is attached along with this Harbour Master's Instruction for reference.

Any queries regarding the above process must be submitted to the email address: harbourmaster@fremantleports.com.au

A handwritten signature in blue ink that reads 'Sfernandes'.

Captain Savio Fernandes
Harbour Master
