

## Port of Fremantle Preliminary Navigational Warning 09/2025

**Date of issue:** 20.06.2025

**Date of effect:** 23.06.2025

**Date of cancellation:** 01.07.2025

**Charts affected:** AUS 112

### **Inner Harbour Maintenance Dredging**

Fremantle Ports will commence maintenance dredging of the Inner Harbour on 23<sup>rd</sup> June 2025 to remove sediments that have accumulated since capital dredging in 2010. A total dredge volume of 10,000m<sup>3</sup> will be removed and disposed of north of Gage Roads N6 Anchorage.

The trailer suction hopper dredge *MODI R* will be operating 24 hours per day for the 10-day project. The dredge will be equipped with requisite navigation lights and localised spotlights for periods of darkness.

The dredge will **only** operate within the 14.7m dredge limit as shown on Aus Chart 112. Actual time spent in each area will be dependent upon commercial shipping which will not be adversely affected by dredging operations.

Mariners are advised to navigate with caution in the vicinity of these vessels and the target disposal area. *MODI R* will be contactable on Marine VHF 12 if required.

**Harbour Master's Office  
Fremantle Ports**

*Dredge - MODI R*
