Subject: Vessel Bio-Security / MARPOL Annex V Waste Reception / Disposal

Compliance with these requirements is mandatory for all Agents and Masters of vessels calling at the Port of Fremantle and requiring waste disposal

A request for biosecurity waste removal must be made by the agent in **Voyager** under 'Activity' at least 24 hours prior to requested date. This is a chargeable service.

Landing waste onto the wharf is not permitted, except as given below. Vessels must wait until the Fremantle Ports biosecurity waste collection truck (Quarantine truck) is in attendance at the vessel's berth.

Offloading waste into bio bins (waste receptacles) is permitted at BP Terminal jetties only.

Schedule of biosecurity waste collection:

Area	Availability	Landing facility
Inner Harbour	7 days a week	Direct to biosecurity waste collection truck
Australian Marine Complex (AMC)	7 days a week	Direct to biosecurity waste collection truck
