

Date: 07 July 2023

Subject: Availability of Towage assets - 4 tug capability restored

This Shipping Agents' Memo is applicable to all shipping movements from **7 July 2023 / 1630 hours** onwards for vessels serviced by **A-class towage** in the Port of Fremantle.

This Shipping Agents Memo replaces SAM 08-2023 which is now deleted.

The Svitzer tug - FALCON has returned to service from Dry-dock and will be available for port usage from 7 July 2023 / 1630 hours onwards. While the Svitzer tug - REDHEAD continues to undergo repairs / rectification, the 4-tug capability for the port has been restored.

Fremantle Ports appreciates the patience and co-operation that we have received from all port users during this challenging period.

Any queries regarding the above process must be submitted to the email address:
