

Date: 15 June 2023

Subject: Temporary suspension of Shore Tension Units in Inner Harbour

This Shipping Agents' Memo is applicable to all berths on which the Shore Tension Units are deployed for vessels during the Shore Tension season (15 May - 15 October)

Fremantle Ports' recently experienced a mooring related incident at a container terminal berth that involved failure of a mooring bollard. An investigation is currently ongoing along with additional assessments. Until completion of further assessments the use of the Shore Tension Units is temporarily suspended. All agents will be duly notified when Shore Tension Unit services are resumed.

Any queries regarding the above process must be submitted to the email address:
